

Careers advice

at Paston College

**What you
can expect
from us!**

We want to give you advice and guidance that inspires and motivates you to fulfil your potential.

You will be able to access a range of careers related activities through your course, the Advice Shop.

These include:

- Face to face careers guidance appointments
- Job/labour market information
- Inspiring speakers from local and national employers and College alumni
- Careers and employer fairs
- Help with CV writing, application forms and interview preparation
- Providing advice on other progression options
- Working in partnership with external providers to access specialist support
- Support in applying to university including personal statements and UCAS applications
- Open days
- Apprenticeship Advice and how to apply
- Understanding self-employment
- Access to national skills events and competitions
- Visits to employers and work experience placements
- Providing real-life commercial experience
